Message from Mr. Head!

It has been another fantastic week at The Willesborough Schools, filled with lots of positive learning, hard work and wonderful moments across both schools. It has been great to see the children continuing to settle into the new school year so positively and making the most of all the opportunities available to them. Year six pupils were particularly excited about their trip to Dover Castle this week.

Community Giving Week

Next week, we are excited to launch our Community Giving Week. Throughout the week, we will be encouraging our children to think about how small acts of kindness and generosity can make a real difference to others, both within our local community and further afield.

As part of the week, we will once again be collecting non-perishable food items for our Harvest Festival to support local families in need. We will share further information about the items that can be donated on Monday.

We will also be supporting the **Cry in the Dark Christmas Shoebox Appeal**, a charity supporting children and families in Romania. An email was sent to families last week with further information about the appeal and how you can get involved. Thank you in advance for your support and generosity.

After-School Clubs

We are really pleased that our after-school clubs start next week. We have a wide range of clubs and activities taking place, providing children with opportunities to try something new, develop their interests and enjoy spending time with friends.

If your child has signed up for a club, please make a note of the day and collection arrangements. We hope that all of the children taking part have a fantastic time! A quick reminder for parents: the school site can become particularly busy between 4:00pm and 4:30pm on club days. To help us keep everyone safe, the school gates will be closed to vehicles and parents will not be able to park on the school site when collecting from clubs. Please park safely on the surrounding roads and walk onto the school site to collect your child. Thank you for your understanding and for helping us keep the site safe for everyone.

Pirate Day Lunch - Thursday 1st October

Over 100 Prizes To be Won!

Every school dinner will come with a lucky raffle ticket. The raffle will be drawn at the end of lunchtime. If your child wins, they will be able to exchange their raffle ticket for a prize. All your child needs to do is have a school dinner on Thursday for the chance to win a prize.

It is school census day, and part of our school funding is based on the number of children who have a school dinner that day. Please support the school to get all the funding we need by allowing your child to have a school dinner next Thursday.

Thank you in advance for supporting us.

Have a lovely weekend!

Tom Head

Attendance Update

Our attendance target for this school year is 96%, reflecting our commitment to ensuring every pupil benefits fully from their education. Starting the year with positive attendance habits is crucial, as good attendance supports learning, wellbeing, and future success. We all have a role to play in achieving this target—parents, pupils, and staff working together to make school a calm, supportive, and welcoming place where pupils want to be. If you are finding it difficult to get your child into school, please do not hesitate to contact us so we can offer support and work with you to overcome any barriers.

Celebrating Your Child's Birthday

We understand that parents/carers may wish to bring something into school to share with their child's class to celebrate their birthday. In line with our Food and Nutrition Policy, which can be found on the school's website, we ask that any birthday treats are healthy options (e.g. fruit platters) or non-edible items (e.g. stickers) to share with the children. This helps to promote consistent healthy eating messages across the school.

Labelling of Clothes

We would like to remind parents and carers that clothing items worn to school should be labelled to ensure that they can be returned to the right child if they are found.

First Class: EYFS Children in the Newspapers

KM Group newspapers are continuing their annual 'First Class' supplement, where they compile the first ever class photos for EYFS/Year R children in a special supplement included with their newspapers. This year the supplements will be going out with newspapers from 12th November. If you have a child in EYFS at the Infant School, please ensure their photograph consents are correct on Arbor. We are sure you will love the photos!

Junior School Library Books

Unfortunately, around 100 library books had not been returned by the end of the last school year, and over 90 are still outstanding. Please ensure that any library books that were borrowed last year are returned as soon as possible if you still have them.

New school gates

As you know, new electronic gates were installed at the Highfield Road entrance to the school around Easter, and the Church Road gates had this added over the summer holiday. We would like to remind families of the following important information:

- The Highfield Road gate will remain closed to all vehicular access/egress between the existing signposted times of 8.25am-9am and 2.45pm-3.30pm without exception aside from emergency services.
- The pedestrian access at both ends of the site will still be kept open as usual during the normal school drop off and pick up times – there will be no need to use the intercom to request access.
- Outside of these times, you will need to use the intercom to gain access to the school site, whether you are driving in or walking. **Please note that vehicular access to the site for parents/carers is not permitted during the between 8am and 4.30pm except by prior agreement.** Select the button for the school you are visiting to speak to their reception team and have the gate opened for you.
- We do not permit vehicular access for drop off or pick up times (including late or early) except where it has been agreed for children with mobility-related injuries or disabilities.
- Driving in to the site to collect your child from After School Club after 4.30pm is permitted.
- To exit onto Church Road, simply press the green button on the pedestal near the gate to unlock it and pull the gate open.
- To exit onto Highfield Road with a vehicle during normal hours, simply approach the gate, stop at the yellow line, and the gates will open automatically. This is deliberately slow for safety reasons.
- The pedestrian gates do not open automatically. Please be careful when pulling and pushing these gates as they are heavy and the locking system protrudes from the gates. Improper use risks injury.

Sign of the Week

(Makaton)

Wonder - Inspire - Shine
Shaping Minds, Shaping Our World

I get by with a little.....

Can you practice together at home?

[Click here to watch a short video showing this week's sign.](#)

[You can also find interesting information about Makaton on our website by clicking here.](#)

What is Makaton?

Makaton is a way of supporting communication using signs and symbols alongside speech.

Using signs can help make spoken language clearer and give children another way to express themselves while they are developing their communication skills.

Using Makaton does not stop children from talking. In fact, using signs alongside speech can help support communication and speech development.

Makaton can be used by everyone, not just children who have communication difficulties.

Using Makaton can help us to:

- Communicate with one another
- Express feelings and emotions
 - Support spoken language
- Make communication easier to understand
 - Build connections with others
 - Help everyone feel included

PTFA AGM: Come Along and Have Your Say

The PTFA Annual General Meeting will take place on **Tuesday 29th September** at **6pm** in the **Infant School**, and we would love to see as many parents and carers there as possible.

The AGM is an important opportunity to look back on everything the PTFA has achieved over the past year, celebrate the support of our school community, and discuss plans for the year ahead. It is also where the new PTFA committee will be voted in, so it is a great chance to find out more about how the PTFA is run and how you can get involved.

This year, thanks to the generosity and hard work of families, staff and volunteers, the PTFA has raised an incredible **£18,451!!** At the AGM, you will be able to hear more about this fantastic total and see how the funds will be used to benefit children across the school.

Whether you are a regular volunteer, interested in helping occasionally, or simply want to understand more about the work of the PTFA, please do come along. Your support, ideas and attendance really do make a difference.

Could You Join the PTFA Committee?

The AGM is also when we vote in the PTFA committee for the year ahead. These roles are vital in helping the PTFA run smoothly, but you don't need any previous experience—just enthusiasm, a little time, and a willingness to support the school community.

- **Chair or Co-Chairs:** helps lead the PTFA, chairs meetings, supports the committee and works with the school to plan fundraising activities.
- **Vice Chair:** supports the Chair on all activities, helps lead activities where needed, steps in for Chair when unavailable
- **Treasurer:** looks after the PTFA finances, keeps records of money raised and spent, and helps report on how funds are being used.
- **Secretary:** helps organise meetings, takes notes, shares updates and keeps the committee's plans on track.
- **Committee members:** bring ideas, help plan events, support fundraising activities and volunteer where they can.

Being part of the PTFA is a rewarding way to meet other families, get involved in school life and help make a real difference for the children. Whether you can take on a named role or simply offer support when time allows, every contribution is valued. If you have ever thought about getting involved, this is the perfect opportunity to find out more and consider putting yourself forward.

Wonder - Inspire - Shine
Shaping Minds, Shaping Our World

A big well done to the School Council for running the Cake Sale for Macmillan Cancer Support after school today. We'll let you know how much was raised next week. Thank you to all the staff and families who provided cakes – whether lovingly baked, or bought – for us to sell, and thank you to everyone who supported Macmillan with donations. We hope you enjoyed these tasty treats!

We are incredibly proud to be a Platinum Award-winning OPAL (Outdoor Play and Learning) school, and these boys in Years 3 and 4 were having such great fun that they actually asked Miss Taylor to take a photograph and put it in the newsletter! We're all too happy to oblige such requests (providing children have the right photo consents on Arbor – please make sure these are up to date next time you open the app!), so here they are. It's always a delight to see the children enjoying the fruits of the hard work put in by the OPAL team and the donations from companies and families. Nothing beats a great experience playing outdoors with your friends!

Reading Challenge!

At Willesborough Junior School, we have the exciting reading challenge! Children are required to read their library books **4 x 20 mins each week**. Each 'read' needs to be signed into their reading record book. This 'four or more' challenge allows the children to compete weekly in the 'Book Battle' against the other classes in their year group, and this is celebrated each week in our celebration assembly.

Admission to Secondary school in Kent 2027

KCC residents apply online at
[**kent.gov.uk/secondaryadmissions**](https://kent.gov.uk/secondaryadmissions)

Opened Tuesday 1 September 2026 and closes
at midnight on Monday 2 November 2026

For children born between
1 September 2015
and **31 August 2016**,
Transferring to Secondary
school in **September 2027**

What to do

Choose a school

It's important to find out more about the schools you are interested in before you decide to name them on the application form.

Read the Guide to Secondary admissions at [**www.kent.gov.uk/secondaryadmissions**](https://www.kent.gov.uk/secondaryadmissions).

You can name up to four Secondary schools, inside or outside of Kent, but you must name them all on the same application.

Apply for a school place

A simple, fast, convenient process which opens **Tuesday 1 September 2026 and closes at midnight on Monday 2 November 2026**. Other LA deadlines may differ.

If you already have an account set up from the Kent Test process, please use these login details.

You will receive an email confirmation that your application has been submitted correctly and that the LA has received it.

You can log back in at any time to view the information submitted.

Receiving your offer

On offer day (**Monday 1 March 2027**) an email will be sent to you informing you of your offer.

You must accept or decline the school place you have been offered by **Monday 15 March 2027**. A link to a guide with information you will need to provide the school with will be in your offer email.

If we have not offered your child a place in your preferred school, you have the right to appeal. You can also add their name to the school's waiting list if your child is eligible for admission.

Moving house during the application window will likely complicate your application and we therefore advise you to pay special attention to key dates in the admissions process. KCC has no discretionary authority to vary the process for parents who cannot complete address moves in time to make use of them for admissions purposes. If you are moving, please email the team on one of the email addresses below for advice.

Key dates

Tuesday 1st September 2026	Online application process opens. Go to <u>www.kent.gov.uk/secondaryadmissions</u> to register and apply.
Monday 2nd November 2026	Online application process closes for the main round. Any amendments after this date must be emailed to <u>kentonlineadmissions@kent.gov.uk</u>
Monday 1st March 2027	Offers of school places sent to parents via email after 4pm.
Monday 15th March 2027	Parents should contact the school to accept/refuse the place that has been offered and can use the link in the offer email to ask for their child to be added to the waiting list of eligible schools named on the original application.
Tuesday 13th April 2027	Appeals need to be lodged by this date to be heard before September - appeals information can be found at <u>www.kent.gov.uk/schoolappeals</u> . You can only appeal for schools that were named on the application form.

Need help?

Email [**kent.admissions@kent.gov.uk**](mailto:kent.admissions@kent.gov.uk)

Full information booklet can also be viewed online at [**kent.gov.uk/secondaryadmissions**](https://kent.gov.uk/secondaryadmissions)

Only one application per pupil will be accepted. If you apply online, do not complete any other form of application. Keep your login details safe and use your registered email address for all communication with the team.

The confirmation email may go to your junk/spam folder of your email – please check here before contacting our team for confirmation.

Please note applications can only be made via Kent County Council (KCC) if the child resides at a KCC address. If your child does **not** reside at a KCC address, you must make an application via your Local Authority.

BOOK DONATIONS WELCOME
