Message from Mr. Head!

It's certainly never a dull week at Willesborough, is it? Following the unexpected school closure yesterday, we would like to say a huge thank you to all of our families for your patience, understanding and support. We know that changes to the school day at short notice can be difficult to manage, and we really appreciated everyone working with us. It was lovely to welcome everyone back into school today and return to business as usual.

It has also been wonderful to welcome our **Year 3 parents and families** into school this week for their children's Harvest Festivals. We hope you have enjoyed having the opportunity to come into school and see the children perform. They have done a fantastic job and should be very proud of themselves!
Our final Harvest Festival will be **Morpurgo Class**, who were originally due to perform on Thursday. Their rearranged performance will now take place on **Monday at 2.30pm**, and we look forward to welcoming their families then.

Parent and Teacher Consultations
Our first parent and teacher consultations of the year will take place on **Monday 19th October and Wednesday 21st October**. These meetings are a valuable opportunity to catch up with your child's class teacher, hear how they have settled into the new school year and discuss their progress so far.
Appointments can be booked through your **Arbor account** and will go live from **4pm on Monday**.
If you have any difficulties accessing Arbor or booking an appointment, please contact the school reception and we will be very happy to help.

EYFS Teddy Bear Picnics
Our EYFS Teddy Bear Picnics will take place at 2.15pm on the following dates:

- **Rabbits:** Tuesday 13th October
- **Robins:** Thursday 15th October
- **Owls:** Friday 16th October
- **Badgers:** Tuesday 20th October

Parents and carers are invited to join their child for an afternoon of teddy bear-themed crafts and a decorated biscuit. If you would like to attend, please sign up via Arbor, where a £1 donation will also be available to help cover the cost of supplies. Children are welcome to bring a teddy bear with them on the day. Please note that all children will take part in the event, even if a family member is unable to attend. We look forward to welcoming our EYFS families for these special afternoons.

Looking ahead to next week...
There is plenty happening again next week! We are doing **Hello Yellow on Wednesday**, due to the school closure yesterday – children, please wear yellow, and donate if you can, to support Young Minds UK. On **Thursday**, Year 5 will be taking part in their Space Dome workshop, which promises to be a fantastic experience linked to their learning. Then, on **Friday**, Year 4 will be travelling back in time for their Egyptian Day. We are looking forward to seeing the children immerse themselves in all things Ancient Egypt and enjoy another memorable day of learning. Another busy week ahead at Willesborough!

Have a lovely weekend!

Morpurgo Harvest Festival

Due to the school closure yesterday, the Morpurgo Harvest Festival has been rescheduled to 2.30pm on Monday 12th October.

Hello Yellow Day

As per page 1, Hello Yello has also been rescheduled, for Wednesday 14th October.

World Sight Day & Sight Awareness Month

Yesterday was World Sight Day, and October is Sight Awareness Month. Every October, on the second Thursday, World Sight Day casts a spotlight on the importance of eye care, and what it means to have care that is accessible, available and affordable to all.

Nearly everyone on the planet will experience an eye health issue in their lifetime, yet over a billion people still lack access to the services and treatments they need. World Sight Day is an annual reminder to #LoveYourEyes and an opportunity to join millions of people globally who understand the value of vision.

Holiday Club

This academic year, we will be hosting our Holiday Club during the Easter holidays and the first four weeks of the summer holidays. Please note that the Holiday Club will not be operating on staff development days. We apologise for any inconvenience this may cause and thank you for your understanding.

New school gates

We would like to remind families of the following important information:

- **Please note that vehicular access to the site for parents/carers is not permitted before 4.30pm except by prior agreement.**
- The Highfield Road gate will remain closed to **all** vehicular access/egress between the existing signposted times of 8.25am-9am and 2.45pm-3.30pm. This is for the safety of staff, families and children.
- The pedestrian access at both ends of the site will still be kept open as usual during the normal school drop off and pick up times – there will be no need to use the intercom to request access.
- Driving in to the site to collect your child from After School Club after 4.30pm is permitted and the vehicle gates will be open.
- To exit onto Church Road, simply press the green button on the pedestal near the gate to unlock it and pull the gate open.
- The pedestrian gates do not open automatically. Please be careful when pulling and pushing these gates as they are metal and the locking system protrudes from the gates. **Improper use risks injury.** We have taken measures to reduce this, but please be aware when leaving through these gates.
- The side has a posted **5mph speed limit**. Please abide by this limit even if you cannot see any adults or children walking around – it only takes a split second for someone to appear and for their life to be changed by a serious injury. The speed limit is there to help keep your children and our community safe.

Sign of the Week

(Makaton)

Wonder - Inspire - Shine
Shaping Minds, Shaping Our World

Just not enough, I need...

Can you practice together at home?

Click here to watch a short video showing this week's sign.

You can also find interesting information about Makaton on our website by clicking here.

What is Makaton?

Makaton is a way of supporting communication using signs and symbols alongside speech.

Using signs can help make spoken language clearer and give children another way to express themselves while they are developing their communication skills.

Using Makaton does not stop children from talking. In fact, using signs alongside speech can help support communication and speech development.

Makaton can be used by everyone, not just children who have communication difficulties.

Using Makaton can help us to:

- Communicate with one another
- Express feelings and emotions
- Support spoken language
- Make communication easier to understand
- Build connections with others
- Help everyone feel included

Karate Kid

Wonder - Inspire - Shine
Shaping Minds, Shaping Our World

Sophie from Turtles Class in Year 2 left school early today – not to go for a jolly holiday but to represent GREAT BRITAIN at the World Union of Martial Arts Federations' 4th World Championship! How amazing is that?!

She will be representing GB and her club, Kojin-Kai Karate Club, in Kumite, Jureken (Kickmaster), and Kata.

She has worked incredibly hard over the past few months, training at weekends and attending several after-school sessions every week. Her family are, of course, incredibly proud of the hours and effort she has put into her training, and we are proud too. She's even been getting Myrtle the Turtle involved in her karate training after bringing her class teddy home for the weekend! Sophie also had a lovely photo taken with Myrtle and her amazing coach, Millie Knight, who is a four-time Paralympic medallist, winning two silver and two bronze medals in para-alpine skiing. Sophie was so excited to have Myrtle training alongside her!

We are sure that you will join us in wishing Sophie the absolute best of luck in her tournaments and cross your fingers for great results! But whatever happens, we know you will do everyone proud, Sophie.
Thanks to Sophie's mum Vicki for the information and pictures.
